Guarantee

Tigit guarantees to refund all maintenance expenditures that occur on the journey. This excludes **oil changes, flat tires, inner tubes, and luggage racks.**

To use this guarantee:

1. Phone Tigit for support before any mechanic work is carried out.
2. Only use genuine and official Honda Stores. Keep receipts. Type “Honda head + location” into googlemaps.
3. Provide evidence of oil changes every 1000km. Provide picture of oil change + KM of the bike.

The customer is responsible for fixing racks with two people to a bike, customer should check the 4 screws under the seat that attach the rack to the bike. These can become loose under strain.

If the bike has a mechanical failure that cannot be fixed, Tigit will be responsible for transport expenses from the breakdown location to HCM (providing customer calls us to confirm each expense). We will send out a replacement Honda Blade.

If the customer does not want a replacement bike then the customer is responsible for transport cost of the bike back to HCM. Customer will be charged per day for the use of the Honda Blade (10 usd/day).

Fixing the bike

If the customer fixes the bike outside a Honda store without our consent the customer will be responsible for paying for a checkup in a genuine Honda store and paying for any work done to the bike.

DO NOT fix or change oil for the bikes in mechanic shops that are not genuine and official Honda stores without our consent. Mechanics steal parts from the bikes and replace with low quality components and often use fake oil. DO NOT listen to random people who claim parts are broken on the motorbike.

If you feel the bike has a problem, please visit a genuine Honda store.

Crashes

If the customer crashes or drops the bike resulting in damaged mirrors or bodywork, then the customer will be fully responsible for it. The broken part of bodywork will be replaced at real Honda Head shops and the amount will be deducted from the deposit.

Honda are official in Vietnam with set prices throughout the country. Customer may get a quote from Honda for replacement parts and Tigit will agree to use this as the official damage report which will later be deducted from the deposit.

Wobbly and out of line front suspension from a crash will not be “fixed”, it will be replaced at the expense of the customer.

Tigit judges replacement parts on what we feel a future customer can complain about. When renting the motorbike please check it carefully and if you feel there are major scratches then take a picture.

Tigit is not responsible for the motorbike or customer.

Accessories

If lost customer must pay the value of: 1 key \$10, Warranty notebook 20\$, Blue card \$200

Customer changing plans

Customer agrees to a fixed rental for the first month. If customer changes plans and returns the bike earlier than described then the original rental fee stated will still apply. Extensions are possible with at least one week of notice.
