When collecting the motorbike please check it carefully and if you feel there are major scratches then take a picture. Quotes for damages will be provided by Honda Saigon.

Please contact us when a part is damaged. It allows us to order the part in advance which stops delays at return.

For major repairs and replacement parts, try and get to one of our offices.

Clutches

Burning the clutch is common with offroad riding, but completely avoidable. Burning the clutch is 100% driver error and we will charge for replacement clutch plates. For more information on why clutches burn, please read, study and watch
